MEMORANDUM FOR: Colonel White

1. Attached is the Personnel Office compilation of reports of exit interviews pertaining to employees separated during October.
2. Tabs have been prepared to earmark those reports which it is believed warrant your attention. I have not tabbed any of the military group, since I believe that the number of military reports is sufficiently small (14) so that it will take only a few moments of your time to read the entire group.
3. Recommend that the entire report be forwarded to General Cabell as we did last month. Recommend also that you initial each of the transmittal route slips, also attached to DD/A offices furnishing them copies of exit interview reports pertaining to those offices.
